<p>Other Comments</p>	<p>George Watson's has a real 'family feel' throughout the school. Relationships across the school are very strong and positive. Staff and pupils who engaged in this visit were very positive about all aspects of school life. Senior pupils were very reflective on the 'George Watson's Journey' and how this had prepared them for their future academic careers.</p> <p>An interesting feature to note is how the the P1to 3 classes are organised. – 5 teaching wings with a P1/P2/P3 class in each wing – creating a small school feel.</p>
