Cabinet Secretary for Economy, Jobs & Fair Work

Copy as above

Labour Productivity Statistics, 2017 Quarter 3

Please find attached a submission relating to tomorrow's publication of the above statistics, along with the statistical bulletin and visual summary of the key findings.

Please note that these statistics (and any conclusions or lines drawn from the statistics) are restricted to Ministers and officials on the copy list until publication at **9.30am on 14 February 2018**. Access is enabled through the Pre-release Access to Official Statistics (Scotland) Order 2008. If Ministers or officials wish to discuss these statistics or any conclusions drawn from the statistics with anyone not on the list, please contact me and I will consider how to widen access within the agreed constraints of the Order.

Thank you
