

SBS NON-NATIVE SPECIES ACTION GROUP
1st meeting
28 February 2014
10:30 to 15:30
Conference room 7, Victoria Quay, Edinburgh

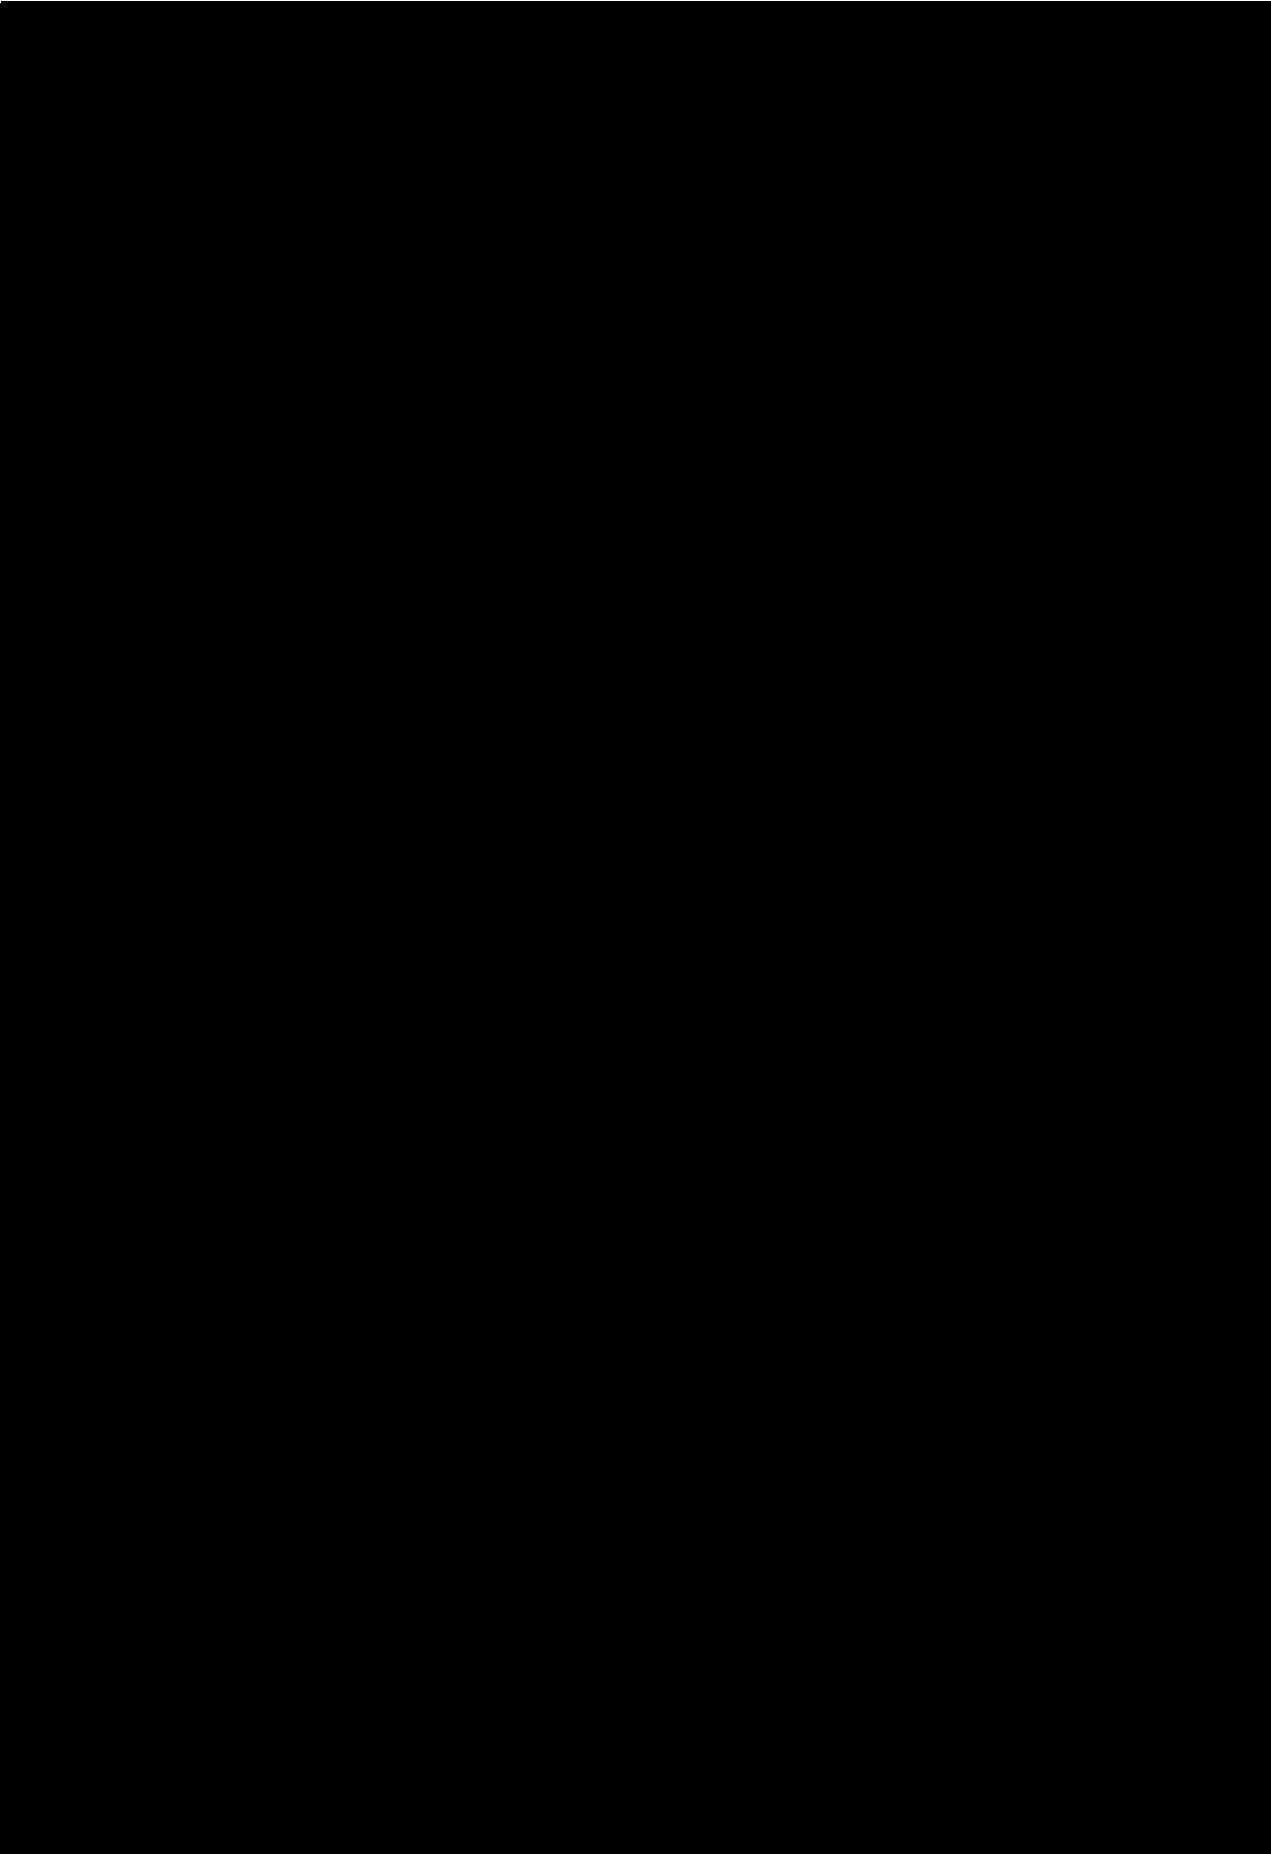

Present:

Chair	
Secretariat	

Apologies received:

	

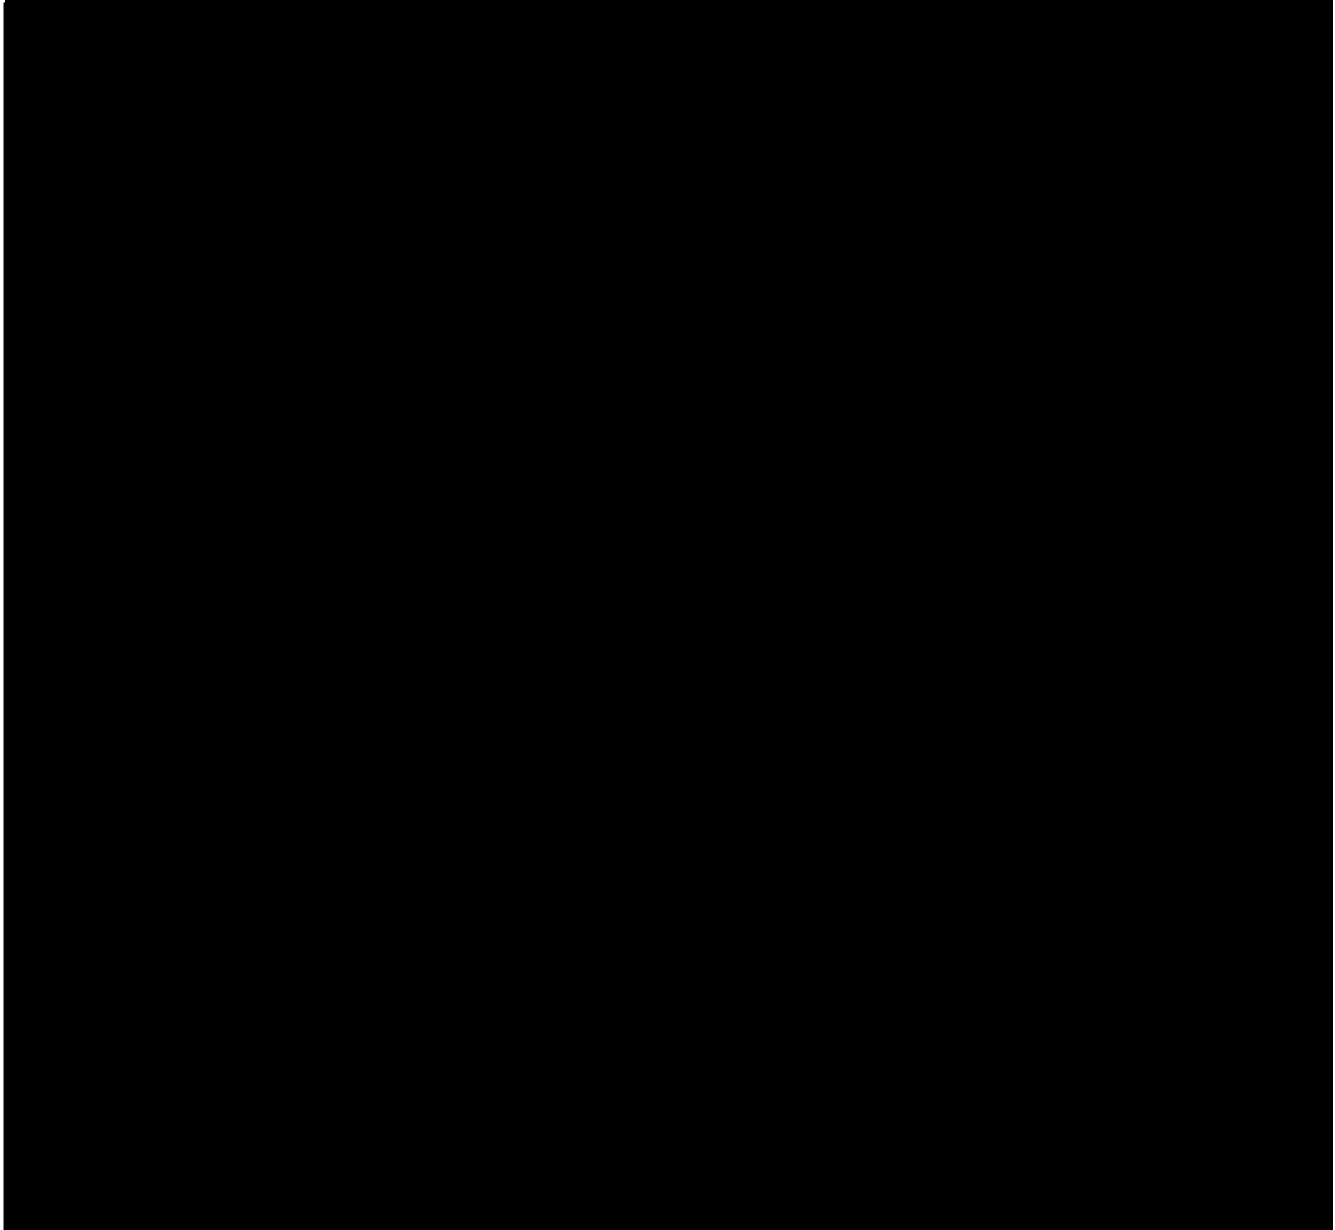

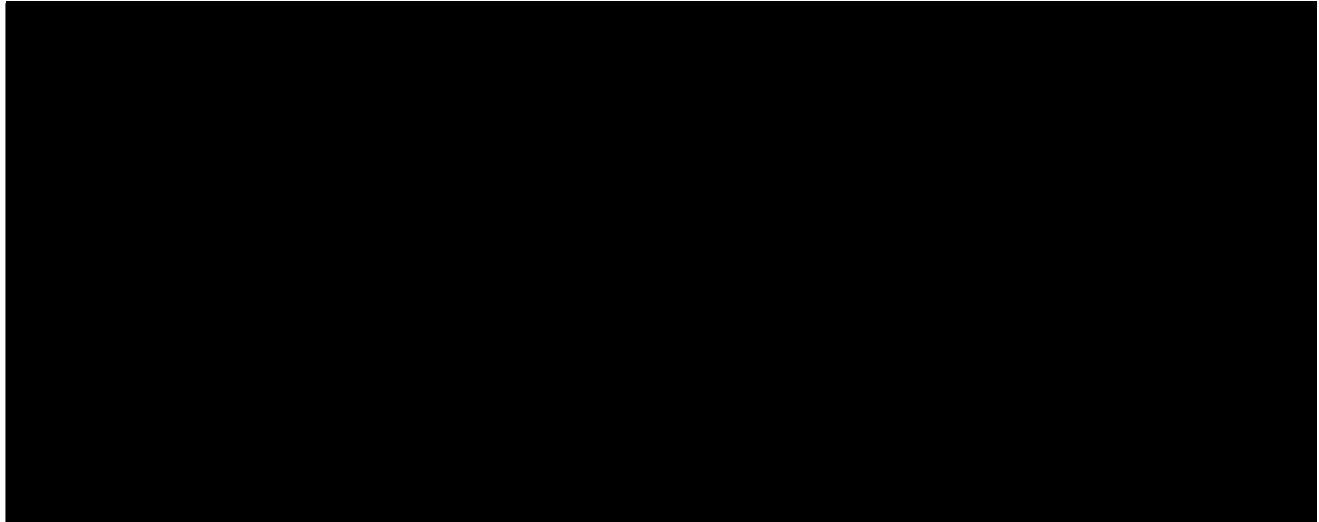

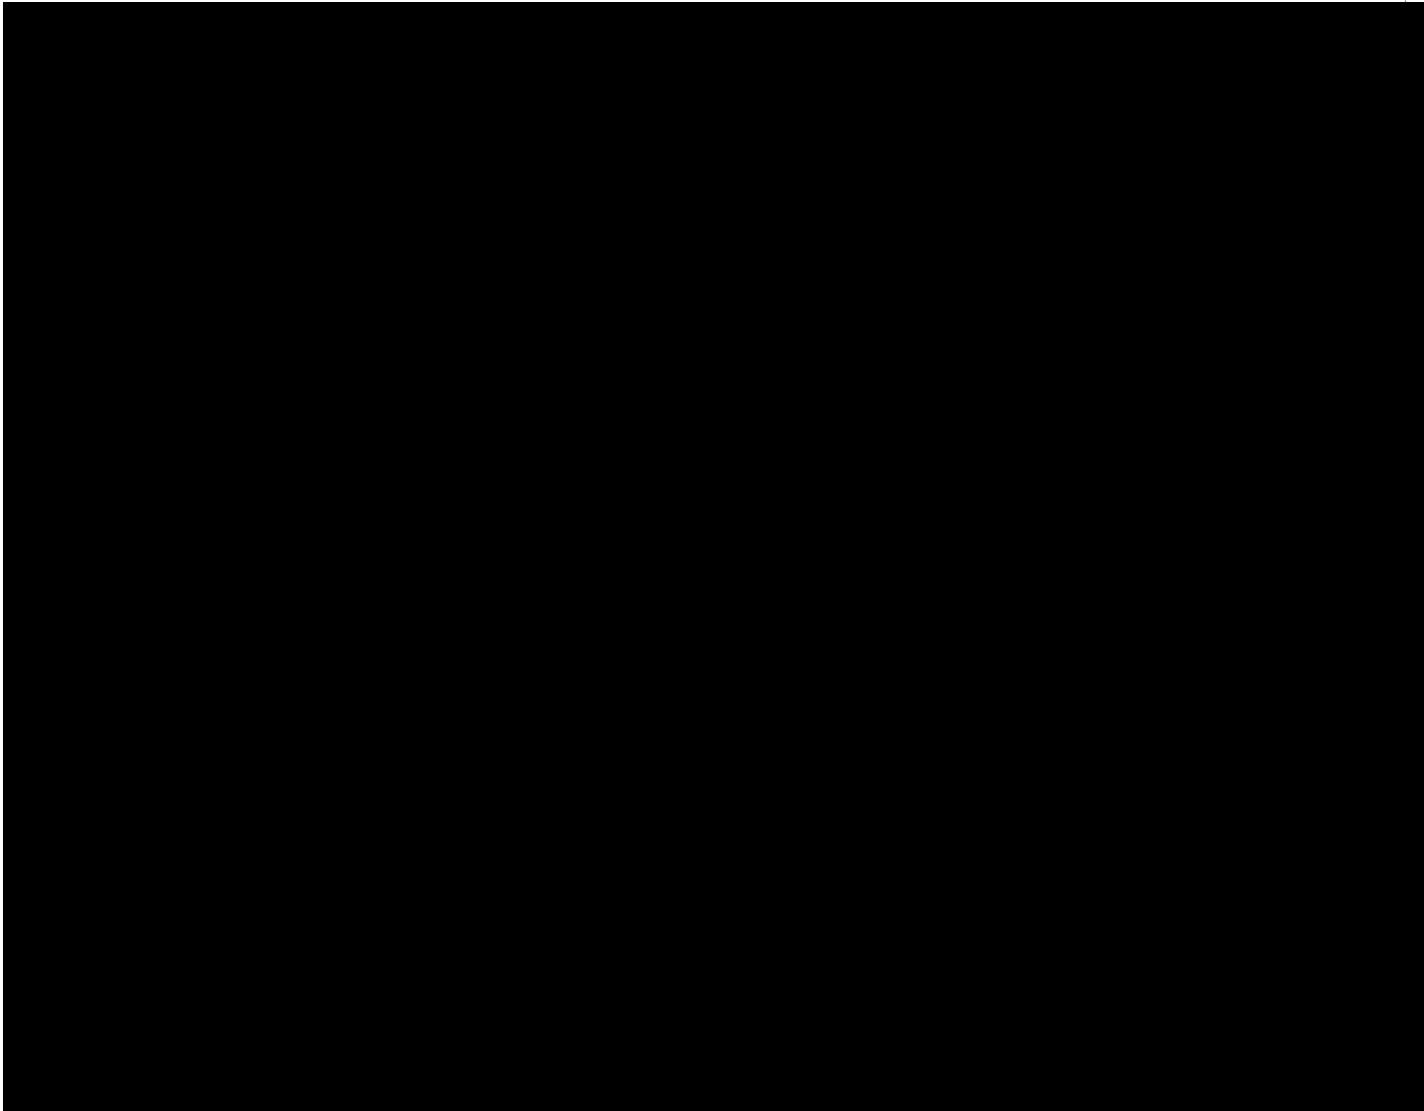

5.

6.

8. Organisation updates

8.5. RSPB – Making progress on developing LIFE+ bid for rat eradication on the Shiantas – funding gap remains but even with that have had positive feedback. Will hear outcome of bid in April. This will, crucially, allow for the development of capacity to do this work in Scotland rather than importing expertise. [redacted]
