Dear Sirs

**STONEHAVEN FLOOD PROTECTION SCHEME
FLOOD RISK MANAGEMENT (SCOTLAND) ACT 2009**

On 28 January, 2016 the Infrastructure Services Committee of Aberdeenshire Council made a preliminary decision to confirm the proposed Stonehaven Flood Protection Scheme with modifications. Eleven valid objections which had not been withdrawn prior to the date of the Committee Hearing remained outstanding. The Committee were notified of the objections and seven objectors spoke at the Committee Hearing. After consideration the Scheme approved with modification.

Three of the eleven objectors indicated that the modifications proposed would allow them to withdraw their objections. However eight objectors remain and in terms of Paragraph 5 of Schedule 2 of the 2009 Act these objectors are relevant objectors.

I now enclose a formal notification of the Committee Decision of 28 January, 2016 to confirm the Scheme on a preliminary basis together with other documentation required in terms of Paragraph 5(5) namely the Scheme Documents, a Summary of Objections received by the Local Authority, copies of those objections and copies of other documentation considered by the Committee namely the Committee report and the appendices.

If there is any further information you require to enable you to make your decision on the Flood Protection Scheme please let me know. I look forward to hearing from you further in due course.

Yours faithfully
