Dear Mr Mackay,

I have been asked to contact you on behalf of the SNP Group in Clackmannanshire.

As a minority Administration we are facing significant funding shortfalls this coming financial year and beyond and in order to try to address this, looking at radical redesign.

To this end we need to look carefully at our operating model, staffing and future financial planning.

I would appreciate the opportunity to discuss these plans and challenges with you and would therefore appreciate a short meeting to highlight our concerns. I will make myself available to suit your busy diary.

I look forward to hearing from you.

Yours sincerely

Councillor Les Sharp
Ward 1, Clackmannanshire West
