

**NEWS  
RELEASE**

For immediate release

**A1 MAINTENANCE WORKS AT BOWERHOUSE TO  
COMMENCE WEDNESDAY 14<sup>th</sup> JUNE**

A resurfacing scheme will take place on the A1 at Bowerhouse, north of Spott Roundabout from 8pm to 6.30am each night on **Wednesday 14<sup>th</sup> June** and **Thursday 15<sup>th</sup> June 2017**.

A full northbound road closure at this location is required to carry out works and a signed vehicle diversion route will be in operation.

Northbound traffic will be diverted to exit the A1 at Broxburn Junction and will turn right to proceed on the A1087 through Dunbar. Traffic will follow the one-way system and will turn into Countess Road to merge with Summerfield Road. From here, traffic will turn left to continue on the A1087 and will travel through Belhaven and East Barnes. At the roundabout, traffic will take the first exit towards Thistly Cross Roundabout and from here, will take the third exit to rejoin the northbound A1.

This work has been planned in consultation with Transport Scotland, Traffic Scotland, the emergency services and East Lothian Council.

Real-time journey information can be obtained by visiting [www.trafficscotland.org](http://www.trafficscotland.org) or via Twitter: @TrafficScotland

**Notes to editors:**

## **About Scottish South East Trunk Roads Unit**

Amey delivers engineering design and operational delivery services for Scotland's South East Trunk Roads Network.

These services include the design and delivery of major road and bridge maintenance work, as well as inspections to ensure the routes remain safe and well maintained.

Amey carry out salting, snow clearing and gully cleaning as well as the repair of motorway lighting and traffic signals.

The South East Trunk Roads Network covers over 550 miles of road through central Scotland, including the Lothians and Scottish Borders, the Edinburgh City Bypass and a long stretch of the M8 motorway that connects the country's capital to Glasgow.

## **About Amey**

Amey is a leading UK public and regulated services provider with over 21,000 employees.

Amey operates over 320 contracts, providing an unrivalled range of services including utilities, highways, waste management, rail, justice solutions, social housing and facilities management. Services are underpinned by our leading consulting and asset management capabilities, which allow us to offer stand-alone or integrated service solutions to a range of clients.

Amey is owned by Ferrovial. They are one of the world's leading infrastructure management and investment companies. Ferrovial employs approximately 65,000 employees and operates in over 25 countries. Ferrovial's activities focus on four business sectors construction, airports, toll roads and services. Amey is part of the Services division.
