Hi [Redacted]

Glad you managed to make it to the airport in time, Aberdeen traffic was pretty bad on Friday!

Please find attached the contact details for the Local Authorities.

The only note of caution is that time is getting tight for arranging other meetings and this approach might result in delays in receiving responses from the Local Authorities, which may delay the issue of the scoping opinion.

I haven't received any other feedback regarding the scoping meetings, other than the SFF comments.

Kind regards

[Redacted]

Hi [Redacted]

Hope you guys got tidied up all okay on Friday, and thanks again for hosting the meeting- and booking me a taxi. Made it in plenty of time to the airport thankfully.

I'm wondering if you have details of who you sent the scoping report out to at the different planning authorities, and if you could pass on their details? We are thinking that we should offer them a visit to go through the scoping report in case anything isn't clear. We have been discussing the meeting we had with ELC and are thinking that if other LPAs have similar requests/ thoughts it would be good to know about them as soon as possible so that we can provide further information, which may help inform their response to you.

We would probably just look to try and set up a meeting with each if we can't get one together- and of course we would be more than happy for MS to be present.

I'm not sure what the feedback has been on the scoping meetings (other than SFF's) but we are finding them useful for early discussions and engagement so would like to continue with this.

If you are able to pass on the details that would be greatly appreciated.

Many thanks  
[Redacted]

Hi [Redacted]

No problem at all. We've had back SFFs comments on commercial fisheries so I can address these and issue for final.

I will also issue the SLVIA ones this afternoon.

Friday's minutes should be issued this week too. I don't think we agreed dates on when these were to be issued and agreed etc?

Thanks

Hi [Redacted]

Apologies, it appears that ICOL are required to circulate the minutes, gather comments and then issue the final version of the minutes, not MS-LOT.

I have already circulated the commercial fisheries minutes but I would be grateful if you could please circulate the minutes for the SLVIA meeting, as well as the meetings held last Friday (once they're ready!)

If you need the distribution lists please just let me know. Once again, apologies for any inconvenience/confusion caused.

Kind regards

Hi

I don't think we did. Same timescales, 1 week after the meeting for issuing the draft, another week for comments and then 2-3 days for tidying up before issue of the final version? Which would mean this Friday for issue of draft, Friday 9th deadline for comments and then Wednesday 14th June for final version?

Best

**Cc:** [Redacted]  
**Subject:** Inch Cape Offshore Windfarm - Scoping Consultation - Ornithology Further Discussion

Hi [Redacted]

I mentioned to RSPB about the proposed approach for marine mammals, i.e. holding a workshop at a later date pre-application, as a possible option that could be explored further.

Given the tight timescales it would be difficult to arrange something prior to the end of the consultation period, which could result in a delay in issuing the scoping opinion. Instead, I will ask RSPB to ensure that they clearly mark in their response areas where additional discussion would be beneficial, which would help us decide/plan if further discussions are required.

**Subject:** Inch Cape Offshore Wind Farm- Scoping Meeting

Dear [Redacted]

Fife Council were previously invited by Marine Scotland to attend a meeting to discuss the content of the recent Scoping report submitted by Red Rock Power for a proposed revised development at the Inch Cape Offshore Wind Farm (final invite attached for reference).

We've been carrying out a series of meetings with key consultees since the Scoping Report has been submitted and we are still keen to engage with you at this stage. The general feeling from these meetings has been that they've been beneficial to clarify any uncertainties presented in the Scoping Report and to discuss at an early stage any other thoughts consultees have.

We therefore would like to offer up this invite again. We are aware that there is not a huge amount of time between now and the time for any responses to the scoping report, however if you do have time between now and then we would of course be happy to come to you to discuss the scoping report and the scope of work proposed for the EIA.

If you do have availability could you please let me know what times you are available so we can hopefully get a meeting organised?

I've attached a link to the Scoping Report below if required:

<http://www.gov.scot/Resource/0051/00517517.pdf>

Please let me know if you have any queries, or if you would like a call to discuss please let me know and I can give you a call.

Kind regards,

[Redacted]

**Subject:** Inch Cape - Scoping Meeting - SLVIA - FINAL CONFIRMED TIME  
**Location:** Red Rock Power's offices, 5th floor, 40 Princes Street, Edinburgh EH2 2BY  
**Start:** Mon 22/05/2017 13:00  
**End:** Mon 22/05/2017 15:00  
**Recurrence:** (none)  
**Organizer:** [Redacted]

Dear Sir/Madam,

Inch Cape Offshore Limited have recently submitted their Scoping Report and requested for a Scoping Opinion to MS-LOT for the revised Inch Cape Windfarm. This is currently under consultation, with a closing date of the 2<sup>nd</sup> June.

MS-LOT are proposing to organise a series of meetings during the consultation period, to give stakeholders the opportunity to engage directly with the Applicant and clarify any questions or discuss any issues that may arise from a first review of the document.

Therefore, we would like to invite you to a meeting at Red Rock Power's offices, Edinburgh (address below) to discuss the '**Seascape and Landscape Visual Impact Assessment**' element of the report.

Agenda attached.

Final confirmed time and venue:-

**Date:** Monday 22<sup>nd</sup> May 2017

**Time:** 1pm-3pm

**Venue:** Red Rock Power's offices, 5<sup>th</sup> floor, 40 Princes Street, Edinburgh EH2 2BY

If you have any queries, or if you have any specific access requirements, please contact us.

TC and VC facilities will be available, please contact us to request the details if required.

Kind regards,

[Redacted]

Dear [Redacted]

Angus Council were previously invited by Marine Scotland to attend a meeting to discuss the content of the recent Scoping report submitted by Red Rock Power for a proposed revised development at the Inch Cape Offshore Wind Farm (final invite attached for reference).

We've been carrying out a series of meetings with key consultees since the Scoping Report has been submitted and we are still keen to engage with you at this stage. The general feeling from these meetings has been that they've been beneficial to clarify any uncertainties presented in the Scoping Report and to discuss at an early stage any other thoughts consultees have.

We therefore would like to offer up this invite again. We are aware that you have requested an extension to respond to the Scoping Report until 9<sup>th</sup> June therefore it does not leave a lot of time to arrange a meeting. However if you do have time between now and then we would of course be happy to come to you to discuss the scoping report and the scope of work proposed for the EIA.

If you do have availability could you please let me know what times you are available so we can hopefully get a meeting organised.

I've attached a link to the Scoping Report below if required:

<http://www.gov.scot/Resource/0051/00517517.pdf>

Please let me know if you have any queries, or if you would like a call to discuss please let me know and I can give you a call.

Kind regards,

[Redacted]

**Subject:** Inch Cape - Scoping Meeting - SLVIA - FINAL CONFIRMED TIME  
**Location:** Red Rock Power's offices, 5th floor, 40 Princes Street, Edinburgh EH2 2BY  
**Start:** Mon 22/05/2017 13:00  
**End:** Mon 22/05/2017 15:00  
**Recurrence:** (none)  
**Organizer:** [Redacted]

Dear Sir/Madam,

Inch Cape Offshore Limited have recently submitted their Scoping Report and requested for a Scoping Opinion to MS-LOT for the revised Inch Cape Windfarm. This is currently under consultation, with a closing date of the 2<sup>nd</sup> June.

MS-LOT are proposing to organise a series of meetings during the consultation period, to give stakeholders the opportunity to engage directly with the Applicant and clarify any questions or discuss any issues that may arise from a first review of the document.

Therefore, we would like to invite you to a meeting at Red Rock Power's offices, Edinburgh (address below) to discuss the '**Seascape and Landscape Visual Impact Assessment**' element of the report.

Agenda attached.

Final confirmed time and venue:-

**Date:** Monday 22<sup>nd</sup> May 2017

**Time:** 1pm-3pm

**Venue:** Red Rock Power's offices, 5<sup>th</sup> floor, 40 Princes Street, Edinburgh EH2 2BY

If you have any queries, or if you have any specific access requirements, please contact us.

TC and VC facilities will be available, please contact us to request the details if required.

Kind regards,

[Redacted]

Hi [Redacted]

Apologies there were some crossed wires and my original email (please see below) was addressed to the wrong person. I'm not sure if you had previously caught site of the previous invite from MS in regards to the scoping meeting? As noted in the email below we would be keen to have the opportunity to discuss the scoping report with you if you do have the time?

Kind regards,

[Redacted]

Hi [Redacted]

Unfortunately I am not involved with this I only assisted someone from Marine Scotland with the initial submission. The consultation request was allocated to [Redacted] who I have cc'd in.

Kind regards
