Please send the hardcopies/memory stick to:

[Redacted] – Room A115
Marine Scotland Licensing Operations Team
Scottish Government, Marine Laboratory, 375 Victoria Road, Aberdeen, AB11 9DB

Regarding the digital version, please send it to: MS.MarineRenewables@gov.scot
I believe there is a 15 MB limit per email. So, once you've sent the scoping report, please send me an email to check if we've received the previous one, just to make sure it doesn't get lost in the ether.

If the document is bigger than 15MB, you can send us a link to a file sharing system (e.g. dropbox or similar).

Best regards,

Morning Both,

We're just touching up final digital version of the scoping report, hopefully have it done just after lunch. As per previously communication my intention is to submit this digitally to you today and then send through the hard copies next week. What process would you like me to follow for submitting the digital version, and where would you like the memory sticks with the digital version sent?

Thanks

Dear [Redacted]

Further to [Redacted] e-mail of 5th May 2017 (attached) the Marine Scotland Licensing Operations Team (MS LOT) acknowledge receipt of Inch Cape Offshore Limited's Scoping Report for the proposed 'Inch Cape Offshore Windfarm – Revised Design' and confirm acceptance of this scoping report.

MS LOT started a 28 day consultation period with relevant stakeholders on 5th May 2017 with a closing date of 2nd June 2017.

The statutory timescale for issuing the scoping opinion is five weeks after the receipt of the last consultation response. Once MS-LOT have received and reviewed the final consultation response(s) we will inform you of the anticipated date of issue.

Yours sincerely,

Just to keep on top of where we are with minutes

Commercial Fish

These were issued as first draft and we've received comments back from SFF. We will incorporate SFF comments and send to you for sign off today before we issue the final version.

SLVIA

We sent the first draft to you, do you have any comments before we issue these to other attendees for comment?

Birds, fish, marine mammals

We'll send you first draft of these at the start of next week for your comments before we send to other attendees.

Thanks

Hi [Redacted]

Thanks for the call earlier. For clarity I've laid out the process we understand MS would like us to follow for the minutes;

1. ICOL write up minutes from meeting
2. ICOL issue first draft minutes to MS for comment
3. MS provide comments to ICOL on first draft minutes within 2 days
4. ICOL update minutes based on MS comments
5. ICOL issue second draft to all attendees at meeting
6. Attendees provide comments on second draft
7. ICOL incorporate comments from all attendees
8. ICOL issues third draft to MS for final sign off
9. MS confirm third draft are suitable to be issued
10. ICOL issue final draft to all consultees.

Thanks

Subject: Forth & Tay Scoping - Representating Commercial Fisheries

Dear all

Further to [Redacted] e-mail below, it would be helpful to further consider representation at future meetings for the Forth & Tay projects, including the upcoming commercial fisheries scoping meetings for Neart na Gaoithe and Seagreen. Whilst SFF are an umbrella organisation, providing representation for a range of members, they do not have comprehensive coverage in this area. I would be grateful if you could please consider which individuals/groups it would be most helpful to invite to these meetings and provide me with their contact details.

If you have any queries please do not hesitate to contact me.

Kind regards

I did provide MS LOT with feedback on the process and parties which came from various sources and I will alert you to any other information that may be useful for you to know in future.

It would have been helpful if [Redacted] could have given you guidance on the groups members, but since [Redacted] did not I will. In [Redacted] capacity as chair of the IFg he has accepted that [Redacted] of the Fife Fishermens Assoc has a wide ranging and representative membership for the north side of the Forth, and in his absence you are aware I speak for them.

In the Arbroath area I would suggest you contact [Redacted].
On the south side of the Forth you already have [Redacted], but maybe [Redacted] in Dunbar and [Redacted] in Port Seton?

Good luck with that [Redacted]
