Dear Oliver,

A75 trunk road

Thank you for your email of 1 July requesting a meeting to discuss the A75 trunk road in your constituency.

The Deputy First Minister intends to host a Transport Summit in South West Scotland later this summer, at which the A75 will be discussed. You will be invited to attend this event, which will provide an opportunity for you to share your views. Thereafter, and based on the outcomes of the summit, I would be pleased to consider a further meeting as required.

Best wishes,
H. Yousaf
