Hi REDACTED

Hows things?

Just to let you know the Flags have had an 'attempted delivery to site, with no access'. Do you know why this would be?

These will be redelivered tomorrow, but I am worried that the address given isn't correct. Can you check this and come back to me?

Cheers

Hiya

Got stickers today – they're quite small and say Queensferry crossing on them, is that right?

Definitely no flags yet – could you chase them up?

Cheers
