Subject: RE: WILD SALMON AND AQUACULTURE INTERACTIONS WORKING GROUP: next steps (update)

[REDACTED]
Mr Ewing and Ms Cunningham will wish to be aware that John Goodlad has now accepted the offer to Chair the planned working group (workstream) on wild salmon and aquaculture interactions. This will be a paid position, [REDACTED]
[REDACTED]

There have been further discussions around the membership and both sectors have indicated agreement towards a balanced group comprising:

- 2 from aquaculture
- 2 from wild fisheries
- 2 Marine Scotland (policy and science representation)
- One representative Local Authority
- Representative from SEPA and SNH

Secretariat responsibilities will rest with Marine Scotland.

[REDACTED] We will discuss with Communication colleagues opportunities for announcing the group (including the draft terms of reference and date of first meeting) next week, and potentially before the primary discussion next Wednesday at the 2018 Annual Meeting of the North Atlantic Salmon Conservation Organization in Portland, Maine.

Further advice will come forward soon.
