Dear Roy

Queensferry Crossing

I would be very grateful if you could answer the following questions regarding the ongoing construction works taking place on the Queensferry Crossing:

- a) How many times have lane restrictions been put in place due to construction works since the Queensferry Crossing opened on 30 August 2017?
- b) How many times have there been speed limit restrictions to protect the workforce that have not resulted in lane restrictions since the Queensferry crossing opened on 30 August 2017?
- c) What were the reasons for the lane restrictions on the Queensferry Crossing on 7 May 2018 and 28 May 2018?

I look forward to hearing from you.

*Yours
Edward*
