Hi [redacted – exemption applies]
My apologies, I received a call from a client which took a while. I will be in the office until about lunchtime tomorrow and all day on Friday if those days suit for a call?
Thanks

Hi [redacted – exemption applies]

It would be useful to have the call at 10. My colleague [redacted – exemption applies] will be joining us – I think you have corresponded.

For info ACER have been updating their privacy notices and this is something we intend to share with SOLAR. I can pick this up in the call.

Kind regards
