

## **Brexit Stakeholder Engagement Fund – Detail of funded projects**

Launched on 9 May 2018 the Brexit Stakeholder Engagement Fund, totalling £150,000, is used to support a broad range of projects and activities that enable local community based organisations across Scotland to plan ahead, facilitate dialogue and inform policy development on the impacts of the UK's exit from the EU.

<b>Organisation</b>	<b>Details of funded project</b>
Scottish Rural Action	To facilitate an open dialogue between people in rural communities - particularly those living in the more remote rural parts of Scotland and to hear their views on Brexit: £25,000
Children in Scotland	Setting up a standing council for Children & Young People to hear their views of Brexit and ensuring that their voices are heard as part of the negotiations between UK and EU: £24,850
My Life My Say	To host Brexit cafés in in Scotland to allow young people to express their views on the UK's decision to leave the EU: £8,940
Midlothian Voluntary Action	Engagement on food security & affordability in light of Brexit in a local community context: £11,289
Voluntary Action South Lanarkshire	Host workshops to look at the effect on the third sector to provide services to the community: £1,500
Citizens' Rights Project	Engagement with EU 27 citizens in Scotland on the lead up to Brexit to hear their views about leaving the EU: £24,000
