I would be grateful if you could please send me the right Scottish Government logo we should be using to highlight the funding on our website and other marketing materials along with the appropriate branding guidelines.

I look forward to working with you both on this visit.

Subject: Contract for Scottish Government Funding - Citizens Theatre & GCC

I hope all is well with you.

We are finalising discussions with GCC regarding our funding agreement and cash flow for the capital and I wondered if you were able to advise on when the agreement between the Scottish Government and GCC would be drafted so that we can confirm arrangements for draw down of the £1.5m in 2018-19 and 2019-20.

I look forward to hearing from you.
