Ok, thanks.

Redacted 38(1)(b) content I go back to Mail and say, we are not involved in plans for a possible royal opening of V&A, which would be a matter for the V&A?

We are vaguely aware that there may be a royal opening later this year but are not involved in any discussions about it. Nor would not expect to be involved in planning it – it's a matter for the Museum.

Just chasing this up, I tried to call. Grateful if you can confirm this is being progressed?

Thanks,

Redacted 38(1)(b)

We are being asked by the Daily Mail whether the Scottish Government has been involved in any discussions regarding a royal opening for V&A Dundee. If so, what the outcome of these were.

Not sure what we would say/confirm around this, but grateful if you could advise a line?

Thanks,
