Hi [REDACTED]

Happy to also touch base on Mark Ruskell's Bill I was actually going to use the opportunity of meeting you to discuss this so that would be helpful.

11am on Monday would be good. I look forward to meeting with you both on Monday. Should I just come to the reception at the COSLA offices at Haymarket?

Thanks

Donna

Hi Donna

Happy to meet and it might also be good to touch on Mark Ruskell's 20mph Bill as well. I understood from Brendan Rooney that you and Bertrand are covering this from Transport Scotland.

Would 11am on Monday 20<sup>th</sup> suit you? I'll invite my colleague John to attend as he's tracking the Bill for us. I only have an hour or so though as I'll need to be in the Parliament by 1pm.

Hi [REDACTED]

I am really sorry that you won't be able to attend the workshop session. The aim of the workshop is to consider the next steps for Road Safety beyond 2020 and Local Authorities are key partners in this. Therefore your contributions would be very valuable to this process.

Would you be able to meet prior to the workshop sessions and I can share with you the plans for the day and give you the opportunity to feed in any thoughts/concerns that I can share with others during the workshop session?

I am able to come to the COSLA offices if that is easier for you. I am free Monday (for most of the day), Tuesday morning or Wednesday next week if any of those days are suitable?

Thanks

Donna

Hi [REDACTED]

Unfortunately we do not have any other staff who will be able to attend. Our already small team is pretty stretched at the moment and I need to prioritise matters such as the Planning Bill which is reaching a critical stage.

Sorry about that. I'd be happy to speak out with the workshop if this helps

Hi [REDACTED]

That it is a shame you are unable to attend. These workshops are an important focus for all the Road Safety Partners, such as yourself, to be able to contribute and shape the next stage of Road safety.

As we would like a full complement of members can you please suggest a replacement who can attend on your behalf.

Kind Regards
