6 April 2018

Dear First Minister

Following the successful Sovereign and Institutional Investor gathering that we co-hosted with Scottish Cabinet Ministers in August 2015, I am delighted that the funds have expressed an interest in returning to Edinburgh this August, and I have arranged for invitations to be offered for my Tattoo evening on Thursday 16 August. Last time you kindly offered a reception at Bute House on the evening before the roundtable events and visits, and I wondered if you might consider doing so again on 15 August.

Cabinet Secretary Keith Brown is also attending the Tattoo on 16 August, and I will write to inform him of the funds attending that evening, once confirmed.

I understand that the sessions will focus on technology and innovation this time, and that this will be an excellent opportunity to showcase our investment opportunities in this new age of tech disruption.

I look forward to hearing from you.

Yours sincerely

Dear Frank

Thank you for your letter of 6 April 2018 advising me of a potential visit to Edinburgh by Sovereign and Institutional investors, and asking me to host a reception for them at Bute House on the evening of 15 August 2018.

Unfortunately, due to a prior engagement, I am unable to accept your kind invitation on this occasion. However, Keith Brown MSP, Cabinet Secretary for Economy, Jobs and Fair Work, would be delighted to host a reception at Bute House on my behalf. If this is acceptable, I would be grateful if you could contact his Private Secretary at [REDACTED] to make the necessary further arrangements.

Hi [Redacted]

Good to talk earlier and I'm looking forward to working with to make sure that this is a very successful event.

In addition to the details of the guests could you please give me a little on the successful post-2016 event investment deals that were secured. It will add weight to the rational why Cab Sec should attend. I don't need too much detail – high level will do just fine.

Thanks

Hi [REDACTED]

Here's what I noted as actions from today's call:

- You will provide email contact details of Investors and Edinburgh guests
- I will issue formal invites, respecting confidentiality of information provided
- I will send you menus and proposed seating lists for our agreement
- I will ensure there's clear differentiation between alcoholic and non-alcoholic drinks on the evening
- You will provide biog and photos of investors and an itinerary for their visit for Cab Secs briefing pack
- I will consider inviting [REDACTED], [REDACTED] as additional guest if accommodation allows
- We will collaborate on a running order for the evening including intros and speakers
- We will catch up on 8 August to agree final arrangements

Think that's the main points - please let me know if I've missed anything.

Regards

Dear [REDACTED]

I work in the Inward and Capital Investment Team in the Scottish Government's Trade and Investment Division – my colleague [REDACTED] passed me your contact details.

I understand you plan to be in Scotland during August and was wondering if you would be interested in attending a dinner in Bute House on Wednesday 15 August from 19:00-21:00 which is being hosted by the Cabinet Secretary for Finance Economy and Fair Work.

The dinner is for around 20 guests, half of whom are sovereign and institutional investors who will be in Edinburgh at the invite of the Lord Provost of Edinburgh. A similar event was hosted by the First Minister a couple of years ago. Other guests include [REDACTED] and [REDACTED]

The dinner provides an opportunity to engage directly with senior international investors and promote investment in Scotland.

If this is something you think would interest you please get in touch and I can provide you with more information.

Sincerely

Hi [REDACTED]

I've noticed that I don't have anything (photo or biog) for [REDACTED] – do you have something please? I can't find him through a general google search.

Here's the Biogs

Cabinet Secretary for Finance, Economy and Fair Work.

Derek Mackay was appointed Cabinet Secretary for Finance, Economy and Fair Work in June 2018. Derek is currently SNP Business Convener (Chairman of the Party), responsible for chairing Conference, the National Executive and the management and administration of the party. Elected to Renfrewshire Council in 1999 at the age of 21, he was the youngest male councillor in Scotland at the time. He won three successive ward elections to become Leader of Renfrewshire Council in May 2007, taking the SNP from opposition to lead the administration for the first time. He became a national figure in local government leading the SNP group at COSLA (Convention of Scottish Local Authorities) 2009 to 2011.

He served on Greater Glasgow and Clyde Health Board as a Non-Executive Director and Chair of Renfrewshire Community Health Partnership (2007 to 2011). He was also previously chair of the Paisley Vision Board and Renfrewshire's Fairtrade Steering Group.

Derek has been the Member of the Scottish Parliament for Renfrewshire North and West since 2011, and was previously served as Minister for Transport and Islands and Minister for Local Government and Planning. Derek Mackay was appointed Cabinet Secretary for Finance and Constitution in May 2016.
