Further to this, it turns out Mr McEnaney is doing daily updates on Twitter:

David has asked that I find out urgently what the status of these requests is – could we please have a word this morning?

Hi

Could we please have an update on the position with these requests? Our Director has received correspondence from the Scottish Information Commissioner's Head of Enforcement drawing the delay (and the publicised reason for delay) to his attention.
The case handler has forwarded her latest correspondence with SpAds PO – attached for ease of reference, as the FOI tracker is down just now.

Thanks,

Hi [redacted]

I'm happy for it to go to Janie with the suggested changes that I asked for. This should hopefully speed up the process.
