Dear First Minister.

Surely you cannot seriously be considering tax breaks for migrant workers when you have increased income tax, council tax, land and buildings transaction tax and you still cant improve our NHS, schools or policing?

Perhaps a wholesale tax break for everyone in Scotland and migrants is more attractive and effective.

I suspect your proposal is a vote loser. Even the great unwashed and those suffering from the attainment gap will see through this badly thought out proposal.

Yours in Scotland and Union.
