The Cabinet Secretary is content with the suggested Q&A and would like George Adam MSP to lodge the GIQ. This should be lodged tomorrow for answer on Friday at 10:00. Copying in Parly Clerk's for them to approach George Adam and copying the DG's office, [redacted] for their awareness.

Subject: Capital Investment Strategy - GIQ

Per our conversation earlier, it was agreed with Cab Sec that the Capital Investment Strategy will now be published after March and that as we have said previously that it would publish in March, a GIQ would be prepared to note this change.

I have included the suggested question and answer below for Cab Sec's approval, along with previous comments on publication date for information.

[Redacted] has cleared the question and answer and suggested that it is asked by [redacted] and published on Thursday afternoon. If Cab Sec agrees, grateful if you could make the required arrangements with Parly Clerk.
