Officials as above

Please find attached draft Brexit Stakeholder Engagement fund text for Mr Russell to clear. I would appreciate a response by **early next week** if possible, to allow finalisation of the design of the document in time for the launch event on the 13 June.

Comms

We are working with Communications colleagues to look at options to promote and they have already worked up some visuals for social media that will support the launch. We are also developing some reactive Q&A.

Launch - 6:30 pm in Augustine United Church, George IV bridge, Edinburgh.

The launch event is being worked up in conjunction with Citizen's Rights Project and would have them talking about the engagement with EU Citizens that they have had at events across Scotland. Mr Russell has a 10 minute speaking slot to talk about the publication and Brexit more widely, and there will be questions and answers at the end.

Best wishes,

Hi [REDACTED]

Mr Russell has now considered this. He thinks it is good, but thinks it would be useful to include some specific quotes from the engagement work..

[REDACTED]

Can I leave this with you to take forward please?

Happy to discuss further.

BW,

[REDACTED],

[REDACTED] and I have discussed and are content that the 2 additional bullets you have suggested adequately capture work on the CA and the wider constitutional points.

Thanks
