Dear [Redacted] and [Redacted],

Please find attached the Interim Report for the Independent Inquiry into mental health services in Tayside. The report is subject to a press embargo until **Wednesday 15th May**. It has been sent to yourselves and to NHS Tayside this morning as we felt it appropriate that both of you see it before it is released publicly. It will be sent to Stakeholder groups and to the Employee Participation Group tomorrow and then released publicly on Wednesday, when a copy will be made available on the Inquiry's website: www.independentinquiry.org

This Interim Report aims to provide an update on the progress of the Inquiry and to identify key themes emerging from the initial evidence-gathering phase. These themes have emerged after listening to all the evidence and will provide the main focus and shape the next stage of the Inquiry.

The Inquiry will now proceed to investigate and analyse these themes, before drawing conclusions and making recommendations to improve the provision of mental health services in Tayside.

David Strang, Chair of the Inquiry, will be available on Wednesday 15th and Thursday 16th for interviews and comment.

Could you please acknowledge receipt of this email? If you have any questions/queries please don't hesitate to contact us.
