[REDACTED]

We do not have an actual quote for the works yet; we usually base a fence of approx. 5km on £6000 - £7000

I have attached a recent invoice for a similar length fence. Usually, a bundle has 100m each.

We would have to meet PDG (Helicopter provider) on site and show them drop locations etc. and wouldn't do this without an order in place.

Do you have an estimated start date?

Regards
