Commented [A1]: Add link

The annual Healthy Living Survey collects information on registrations for and uptake of free school meals, uptake of meals (both free and paid for) and PE provisions. ~~This~~ These statistics ~~were~~ previously published in Summary Statistics for Attainment, Leaver Destinations and Healthy Living but ~~This~~ will now be published as School Healthy Living Survey Statistics.

The annual School Estates Core Facts Survey collects information on the condition and suitability of schools in Scotland as recorded on 1st April and information on schools built or substantially refurbished in the last financial year. These statistics 2019 results will be published as School Estate Statistics 2019. Results were previously published in the Summary Statistics for Schools in Scotland publication but will now be published as School Estate Statistics.

Previous publications for both collections may be found here:
<https://www2.gov.scot/Topics/Statistics/Browse/School-Education>.
