

DOCUMENT 1

talked about wellbeing in the health sector.

→ Mackay is clearly keen on the wellbeing agenda.

⊕ look into this.

* corporate governance code means they need to do more on ethics & commercial offices are looking at this.

⊕ who should we focus on?

→ suggest don't just go for leaders to match says bench Mackay, & focus instead on big companies.

→ [redacted] saying we need to use supply chains to push agenda, of procurement.

⊕ Mackay wants to shift the procurement back to value rather than lowest cost

⊕ Get the strategy part

* ethical leadership

* talks about burden, do they fit that supp

We might get people even if we can't
↳ [redacted] idea

looking at longer-term once people settling

→ Audit General

→ Every directorate that Fair Work is

⑤ Get the strategy paper

ethical leadership

talks about burden on employees ... do they get that support..

We might get people to motivate even if we can't score it
↳ idea

looking at longer-term grants to give more people security.

→ Audit General

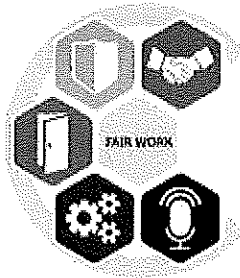

→ Every Ancestral should point out that Fair Work is at heart of public sector

Subject: FW: [REDACTED] NOTES FROM 19TH SEPTEMBER FWC STRATEGY DAY

Hi [REDACTED] – I sent the notes below to [REDACTED] on Friday 20th September, the day after the FWC Strategy Meeting. Only the first 3 bullet points relate to the Cabinet Secretary's session at the meeting. The remaining bullet points relate to the Convention's Strategy part of the meeting and as such don't relate to the Cabinet Secretary's time at the meeting.

Subject: [REDACTED] NOTES FROM 19TH SEPTEMBER FWC STRATEGY DAY

Hi [REDACTED] this is all I picked up on yesterday:

From [REDACTED] summing up of Cab Sec session

- SG to collaborate more with the FWC
- Engagement with wider public sector
- FWAP – enormous amount of actions, need to have clear focus/steer on what SG should focus on between now and next meeting. Focus collaboratively on _____ ?
