

Citizens' Assembly of Scotland – Recruitment Questionnaire for fieldwork

Introduction:

Good morning/afternoon/evening, my name is...I work for Mark Diffley Consultancy and Research, the independent research organisation. We have been commissioned by Scottish Government to recruit participants for the Citizens' Assembly of Scotland. This area is one of many across Scotland which has selected at random and we are calling at households to select people to take part. The Assembly will bring together around 100 people, broadly representative of the Scottish population, to discuss a range of issues, including:

- What kind of country we are seeking to build?
- How we can best overcome the challenges we face, including those arising from Brexit?
- What further work should be carried out to give people the detail they need to make informed choices about the future of the country?

The Assembly will meet for six weekends spread over a 7-month period from October 2019 to April 2020. The first meeting will be from Saturday until Sunday, with subsequent meetings running from Friday evening to Sunday afternoon. The dates for the meetings are as follows:

- 25 – 26 October 2019
- 29 November – 1 December 2019
- 17 – 19 January 2020
- 21 – 23 February 2020
- 27 – 29 March 2020
- 24 – 26 April 2020

The initial weekend event will take place in Edinburgh, with subsequent meetings taking place in Glasgow. All travel expenses will be reimbursed and a £200 thank you will be provided to each participant for taking part each weekend. Accommodation will also be provided.
