Notes:

Statistics for the Strathclyde, Northern, Tayside Division and Grampian Division of Police Scotland Date Period: 01/01/2000 - 19/12/2019 Date Extracted - 20 December 2019.

Please note that the information provided is based on the current figures available. The following are potential reasons for an accident not appearing on our system:

- Transport Scotland only holds accident information which is provided to us by Police Scotland.
- Transport Scotland does not hold information relating to damage only accidents (i.e. not involving an injury).
- Transport Scotland only holds accident information for the trunk road network.
- The accident information Transport Scotland holds is subject to change. E.g. we receive late returns from Police Scotland, who are responsible for recording details of injury accidents.
- Annual Scottish accident figures are published by Transport Scotland on a yearly basis and can be found by entering Reported Road Casualties Scotland into your search engine.
- Police Scotland's definition of a fatal accident is where a human casualty has sustained injuries which caused death less than 30 days after the collision. Confirmed suicides are excluded.
