Hi [Redacted],

That's good to hear. Could you tell me what week that is for please?

Thanks,
[Redacted]

Hi [Redacted],

Following a combination of harvesting and recent treatment we are now below < 2 AF per fish, 1.67 AF to be precise at our West Burwick site.

Let me know if you require anything further

Best regards

Subject: sea lice @ west of burwick

Good morning Grant,

Here is a copy of our sea lice notification form. I've filled it in with the avg AF sea lice counts for weeks 29 & 30 at West of Burwick that [Redacted] gave me and for week 31 that you gave me yesterday. These are the numbers that have been entered into our records, if there are any mistakes let me know.

Regards,
[Redacted]

Subject: RE: GSS update

Depends who the DI is. Some DI's deal with it others just pass it to me. I'll deal with this one though.

Hi [Redacted],

Do you deal with these or is it a DI job?
