Subject: Children's Bill

Hello [REDACTED]

I was given your name by [REDACTED] and I understand you are leading on the above Bill. I work in the Office of the Chief Social Work Adviser(OCSWA) and we have the responsibility for the regulation of social workers in Scotland by the professional regulator – Scottish Social Services Council (SSSC). We as a team have had no input to this Bill but we now understand that there is provision within the Bill to set up registers which will include social workers. I think it would be helpful if we could have a conversation about the background to this proposal.

Happy to set up a call.

Regards
