07/07/2018 08:43:00 From Crew onsite - Police have advised that they are waiting on specialist equipment coming from Glasgow to cut the deceased out the car. Expecting the road to be closed until mid-late afternoon.

07/07/2018 08:43:00 Traffic Scotland advised - **Redacted**

07/07/2018 08:50:00 NSR 4 sent to Transport Emergencies

07/07/2018 08:58:00 Tweet Sent

07/07/2018 10:06:00 **Redacted** contacts NCC for update

07/07/2018 12:41:00 NCC contacted **Redacted** for update - will speak to **Redacted** and get back to NCC

07/07/2018 12:58:00 From **Redacted** - Fire brigade arrived onsite 20mins ago to cut deceased out the vehicle, this vehicle was towing a trailer which contained at least 11 dogs, 3 of which have died. Police arranged to have the other dogs removed. 4 x vehicles have to be recovered, one being a HGV. Recovery is onsite waiting for the go ahead to recover the vehicles. **Redacted** has arranged for a sweeper to be onsite to clean carriageway prior to the road reopening. Still no exact ETA of when the road will be opened.

07/07/2018 12:58:00 Addition to above entry:

Traffic coping well through the diversion

07/07/2018 13:21:00 NSR 4 sent to Transport emergencies

07/07/2018 13:21:00 Tweet Sent

07/07/2018 13:21:00 Traffic Scotland advised - **Redacted**

07/07/2018 15:27:00 NCC contacted crew for update: **Redacted** advises that all other vehicles have been recovered. HGV requires a repair to the wheel before it can be recovered onto the back of the recovery vehicle. No ETA for repair. Richard also requests a bridge inspector attends as there is damage to the bridge parapet over the river. Still no ETA of the road reopening.

07/07/2018 15:41:00 NSR 6 sent to Transport Emergencies

07/07/2018 15:42:00 Transport Scotland advised **Redacted**
Redacted 11/2

07/07/2018 15:42:00 Tweet Sent

07/07/2018 15:31:00 Bridge inspector contacted to attend - **Redacted** 11/2

07/07/2018 16:10:00 Bridge inspector in NCC - ETA 2hrs.

07/07/2018 16:17:00 **Redacted** 11/2 updated re bridge inspectors ETA

07/07/2018 16:26:00 From on call manager **Redacted** 11/2, he is conscious of the fact that crew from **Redacted** have been in attendance, on site from the beginning of incident and do they have a procedure in place for relief crew to attend - advised that NCC had no knowledge of any procedure for this but would contact crew

07/07/2018 16:29:00 NCC contacted **Redacted** and advised him of duty manager's concerns - he has no knowledge of any procedure that is in place - advises that East crew, who would be able to attend and relieve them, have been utilised to implement the diversion route for the fatality on the A77 (68663)

07/07/2018 16:37:00 On call manager, **Redacted** 11/2, advised

07/07/2018 16:45:00 NCC requested crew on site to photograph damaged bridge parapet and send them to NCC

07/07/2018 16:58:00 On receipt of photographs showing damage to bridge parapet - these were sent to the on call manager, **Redacted** 11/2 and the operations manager, **Redacted** 11/2 for their information

07/07/2018 17:03:00 From **Redacted** 11/2 - after inspecting the photographs of the damaged parapet - he is of the opinion that this will require vario guard to be implemented - requests that crew on site be contacted to ascertain if, after the bridge engineer inspects the damage and requires vario guard, can this be facilitated

07/07/2018 17:05:00 **Redacted** 11/2 advised - he will contact **Redacted** 11/2 to discuss

07/07/2018 17:10:00 From **Redacted** 11/2 would be unable to facilitate the request for vario guard if needed

07/07/2018 17:15:00 **Redacted** advised

07/07/2018 17:30:00 From **Redacted** - he requests crew on site obtain photographs showing the extent of damage to parapet and the extent/width of the bridge - this will allow him to calculate what is required - also requests that bridge inspector contacts him on arrival

07/07/2018 17:35:00 Bridge inspector, **Redacted**, advised to contact **Redacted** on arrival

07/07/2018 17:46:00 From D&G Council, out of hours, they are receiving complaints re the TM through Creetown village - state that HGV's are having to mount the kerbs through the village

07/07/2018 17:48:00 **Redacted** advised - he will check TM

07/07/2018 18:04:00 From **Redacted** - TM checked in the village and all in order

07/07/2018 18:08:00 From **Redacted** - he has arranged vario guard, from Forsyth of Denny and for Bobby Kilpatrick and Joe Murphy top attend and install it

07/07/2018 18:10:00 **Redacted** 11/2 advised

07/07/2018 18:20:00 From bridge inspector, **Redacted** 11/2 - now on site - requests crew attend and escort him through from east side of closure

07/07/2018 18:25:00 **Redacted** 11/2 advised and attends

07/07/2018 19:02:00 **Redacted** 11/2 reports there is damage to 6 posts and all 3 rails of bridge parapet.

07/07/2018 19:25:00 **Redacted** 11/2 called to advise he has spoken to **Redacted** and temporary traffic lights will be installed as well as the Varioguard. **Redacted** has instructed **Redacted** to erect the lights.

07/07/2018 19:46:00 NSR 7 sent - " The closure and diversion remain in place. Varioguard and temporary traffic lights will be installed to protect the damaged bridge parapet. No time scale available at present."

07/07/2018 19:46:00 **Redacted** at Traffic Scotland updated.

07/07/2018 19:55:00 Tweeted

07/07/2018 20:45:00 Police request ETA for incident completion. Advised temp signals and varioguard currently being installed.

07/07/2018 20:45:00 **Redacted** 11/2 Stenna advised of current situation

07/07/2018 22:07:00 NCC called **Redacted** 11/2 for update - the Varioguard has arrived, **Redacted** estimates it will take roughly 90 minutes to install. The temporary traffic lights are also on site.

07/07/2018 22:10:00 **Redacted** at Traffic Scotland updated.

07/07/2018 22:20:00 NSR 8 sent - " The A75 remains closed. The temporary traffic lights and varioguard are on site, installation has begun, this will take approximately 90 minutes."

07/07/2018 23:25:00 Update from **Redacted** - the varioguard has been installed, road will reopen when the temporary lights are up and running.

07/07/2018 23:26:00 **Re** at Traffic Scotland updated.

08/07/2018 00:07:00 NCC called **Redacted** for update - road should be open in approximately 5 minutes.

Damage

Action Date	Actions Taken
14/08/2018 08:15:00	From Redacted reports vehicle off the road verge and barrier damage.
14/08/2018 08:15:00	NCC called Police Scotland they stated that the incident happened @ 03.35
14/08/2018 08:15:00	Craig Todd from Redacted will attend.
14/08/2018 08:57:00	From Redacted 11/2 verge has been swept and coned debris removed.
14/08/2018 08:57:00	From Police Scotland the trailer has fully loaded with carrots the load has to empty before recovery can take place and will take several hours . Police Scotland require TTL to be taken to location and once the trailer has been empty and before recovery can take place will require a full road closure.
14/08/2018 08:57:00	NCC contacted Redacted 11/2 he will attend with TTL eta 50 minutes.

14/08/2018 09:33:00 Traffic Scotland - **Red** updated.

14/08/2018 11:48:00 From **Redacted 11/2** - TTL now in place.

14/08/2018 11:48:00 Traffic Scotland - **Reda** updated.

14/08/2018 11:48:00 From **Red t** 1 lane remains closed at location with TTL in place.

14/08/2018 11:48:00 NSR - Sent to Transport emergencies inbox.

14/08/2018 11:48:00 Tweet sent.

14/08/2018 13:13:00 From **Reda** - recovery staff on site have confirmed that a full closure will be required to remove the HGV. Unloading is expected to take another few hours. The diversion - A75/4A will be pre-set.

14/08/2018 13:13:00 Emergency Standard Diversion Route A75/4A

Westbound
 Closure of A75 at B7020, Ladyfield Junction, leave taking right onto B7020 continue through Dalton to Lochmaben on B7020 – at the Lockerbie Road, Lochmaben (A709) junction - take left- then onto High Street and when on Bruce Street take left – continuing on A709 to the A75 Dumfries Bypass – to rejoin the A75.

14/08/2018 13:13:00 Eastbound
 Commence on A75 at Dumfries Bypass (A709), take left 1st exit at roundabout onto A709 – continue to Bruce Street Lochmaben – continue right onto High Street (A709) – then turn right onto B7020 Annan Road – in Dalton bear right to continue on B7020 – continue to Ladyfield junction then take left to rejoin the A75.

14/08/2018 13:19:00 NCC updated **Reda cted** at Traffic Scotland, diversion details **Redacted**.

14/08/2018 13:38:00 NCC called D & G Council regarding the diversion. **Redacted 11/2** advises the B7020 was surfaced dressed yesterday and has not been swept yet, there is a 20mph speed limit in places. **Redacted** suggests a viable alternative is to send E/B traffic along the A709 to Lockerbie, turning left and left onto the S/B B7076, then onto the B723 to rejoin the A75 at Annan. The W/B diversion is the reverse. NCC advised **Redacted 11/2** of the alteration.

14/08/2018 13:49:00 **Redacted** at Traffic Scotland updated regarding diversion.

14/08/2018 16:16:00 NCC called **Reda** for update, NSR 2 sent " The load is still being transferred to another vehicle, no time scale available for completion. Temporary traffic lights are still in use and a diversion has been pre-set which will be implemented when the road is closed for recovery."

14/08/2018 18:44:00 **Redac** from Euroroute Recovery advises that he has been instructed to contact NCC with a 2 hour notice period for the recovery of the vehicle. **Redacted** advises he'd contact Police.

14/08/2018 19:20:00 Contacted Police for update - Police call centre **Redacted** unable to transfer me to any office in Dumfries

14/08/2018 19:25:00 **Redacted 11/2** advised

14/08/2018 19:41:00 NSR Update issued.

07/08/2018 20:53:00 NSR closed issued

07/08/2018 20:51:00 Tweeted

14/08/2018 23:45:00 NSR Complete Issued.

14/08/2018 23:45:00 Tweeted.

14/08/2018 23:45:00 Stenna & P&O advised

15/08/2018 07:45:00 **Redacted** confirms crew were off site at 01:45.

Damage

Action Date	Actions Taken
27/10/2018 09:50:00	Police advise that there has been 1 x vehicle RTC. Male driver appears to have taken a heart attack and crashed his vehicle. Police advise that driver is likely to prove fatal. Request a total closure with diversions be implemented to allow crash investigation to be carried out. Investigators are attending from Lockerbie.
27/10/2018 09:50:00	NCC contacted Redacted 11/2 who will attend
27/10/2018 09:51:00	Traffic Scotland advised - Redacted 11/2
27/10/2018 09:56:00	From Redacted 11/2 - onsite. Justin was passing site at time of the RTC. Police are happy not to close the road but instead use the layby for passing traffic as traffic in this area is already very light due to roadworks further along the road in which most trunk road traffic are already following a diversion for. Driver has been conveyed to hospital and vehicle will need recovered from the ditch once crash investigation has been completed.
27/10/2018 09:57:00	Traffic Scotland advised - Redacted 11/2
27/10/2018 10:09:00	NSR 1 sent

02/10/2019 16:11:00 **Redacted 11/2** just called but couldn't get the call through to you. He called to give an update on the incident at Polmuir, they are onsite just now and guys are putting a diversion on from castle douglas to new galloway and then out at newton stewart. There is a back road at Polmuir that cars are using just now but its not suitable for lorries. Currently manageable.

13/10/2019 19:25:00 Police advise that a vehicle has gone off the road and is on its side. The driver is out the vehicle and appears to be fine. Police requesting a sweeper attend to clear mud and debris from the carriageway.

NCC asked police if the road was closed or are they requiring a closure to have the vehicle recovered? - Police advised not at this time and they have had no update from officers onsite regarding recovery.

13/10/2019 19:25:00 Call passed to West Crew - Redacted 11/2

13/10/2019 19:32:00 From Police Scotland - Oncall doctor has arrived onsite and he has arranged for an ambulance to attend as the driver is complaining of neck injury. Police onsite have closed the road until the ambulance attends to the driver and the debris has been cleared. Police don't expect the road to be closed for very long. Police diverting traffic.

13/10/2019 19:33:00 NCC updated **Redacted 11/2**

13/10/2019 19:43:00 ISR 1 sent:
Police have closed the road due a vehicle which has gone off the road and is on its side.

Police advise that road is closed to allow emergency services to attend to driver and until the debris is cleared.

Police onsite directing traffic.

STS ISU en route

13/10/2019 19:43:00 Traffic Scotland advised **Redacted 11/2**

13/10/2019 19:47:00 Tweet Sent

13/10/2019 20:27:00 NCC contacted **Redacted 11/2** for update - he has just arrived onsite and will get update from the police and report back.

13/10/2019 20:43:00 From **Redacted 11/2** - driver has been conveyed to hospital - road has been reopened. Awaiting sweeper attending to clear carriageway. Police have advised **Redacted 11/2** that the road will be closed again the morning (14/10) to allow the vehicle to be recovered.

13/10/2019 20:45:00 ISR 2 sent:
Road is now opened.

13/10/2019 20:45:00 Traffic Scotland advised **Redacted 11/2**

13/10/2019 20:47:00 Tweet Sent

13/10/2019 22:30:00 From ISU - sweeper has attended and cleared mud from carriageway. ISU advise that the vehicle is carrying concrete and the police have arranged for recovery to attend in daylight hours and the expect recovery to take place around 09:30hrs.

13/10/2019 22:32:00 NCC contacted Police Scotland for any information regarding recovery - operator advised that there is no specific time mentioned on the incident only that the vehicle will be recovered in daylight hours.

14/10/2019 09:47:00 **Redacted 11/2** reports the closure and SIDR are in place, recovery will take most of the day.

14/10/2019 09:51:00 NCC advised **Redacted 11/2** at Traffic Scotland that the A75 is closed in both directions and the diversion is in place.

14/10/2019 09:54:00 SMS text sent.

14/10/2019 09:57:00 Tweeted

14/10/2019 10:01:00 New NSR sent - " The A75 is closed to recover the HGV which went off the road last night. It is expected to be closed for most of today, a diversion is in place."

14/10/2019 10:10:00 The SIDR is A75 19A & B, **Redacted 11/2** at Traffic Scotland updated.

14/10/2019 10:22:00 NCC confirmed with Avril that the SIDR is the same in both directions - W/B traffic leaves at Neton Stewart r/abt to the A714 through Wigtown and Bladnoch, turn right at B7085 to Port **Redacted 11/2**, then at r/abt onto the A747 to rejoin the A75 at the Glenluce bypass. Distance 29.7 miles. **Redacted 11/2** has been confirmed by Richard Davis.

14/10/2019 10:53:00 NCC called D & G Council to advise them of the diversion. On hold for 2 minutes and 5 seconds, seventh in the queue, call terminated.

14/10/2019 12:19:00 Police called NCC to advise the road will remain closed for approximately a further 6 hours. NCC updated **Redacted 11/2**

14/10/2019 12:24:00 Update NSR sent - " Police have advised the A75 will remain closed for approximately another 6 hours while the HGV is being unloaded."

14/10/2019 19:12:00 NCC contacted ISU for update - advise that the lorry has been recovered. The load has been transferred and the recovery company are tidying up the final bits and then the sweeper will be used to sweep the carriageway. Expect the road to be closed for another 30 - 45mins.

14/10/2019 19:16:00 Traffic Scotland advised **Redacted 11/2**

14/10/2019 19:40:00 ISR update sent:

Load from HGV has been transferred, lorry has been recovered.

Recovery company still onsite tidying up, once they are clear road will be swept.

Expecting to be clear within the next 30 – 45mins.

14/10/2019 19:55:00 From **Redacted** - Clear up is cleared and road is now opened.

14/10/2019 19:55:00 ISR final sent:

Clear up is now complete and road is now opened.

14/10/2019 19:55:00 Traffic Scotland advised **Redacted**

Action Date	Actions Taken
14/10/2019 15:44:00	Police request for assistance 1 mile east of Creetown. The road is currently closed due to an RTC. Redacted 11/2 iF attending.
14/10/2019 15:45:00	Redac Traffic Scotland advised, Tweeted.
14/10/2019 15:47:00	SMS text sent
14/10/2019 15:49:00	SR 1 sent - " Police advise the A75 is closed in both directions due to an RTC. No further details at present."
14/10/2019 16:39:00	NCC called Redact for an update - a military vehicle is involved and the army wish to carry out an investigation. Extent of injuries unknown. Redact will try to contact police at site. The SIDR if required is 77 miles long.
14/10/2019 16:44:00	NCC called police for any further information and to find if there is an alternative to the long diversion. Police call centre will ask the control room to call NCC.
14/10/2019 16:52:00	NCC updated Redact Traffic Scotland.
14/10/2019 16:56:00	Redacted ^{d 11/2} has spoken to a police inspector on site who has given permission for W/B traffic to be diverted via the A713 at Castle Douglas, at Kenbridge turn left onto the A712, rejoin the A75 east of Newton Stewart. The E/B diversion will be the reverse.
14/10/2019 17:03:00	Diversion details passed to Avril at Traffic Scotland.
14/10/2019 17:16:00	NSR 2 sent - " The A75 remains closed. A military vehicle is involved and an independent investigation is being carried out by military personnel. Extent of injuries is undisclosed. With police agreement a diversion is being implemented which is much shorter than the 77 mile SIDR. W/B traffic will leave the A75 at Castle Douglas onto the A713 to Kenbridge then turn left onto the A712, rejoin the A75 just east of Neton Stewart. The E/B diversion will be the reverse."
14/10/2019 17:57:00	Update from Redacted ; - the army will arrange recovery and clean-up. It is thought the road may be opened by 18:30.
14/10/2019 19:26:00	NCC contacted ISU for update: Vehicle has been righted. Currently cleaning around the vehicle and then it will be dragged onto the trailer. ISU advise that there is oil on the road which will be cleared when vehicle is moved. Expect the road to be closed for a further 1hr - 2hrs.
14/10/2019 19:30:00	Traffic Scotland updated - Redac
14/10/2019 19:30:00	ISR update sent: Vehicle has been righted. Currently cleaning site around vehicle and then the vehicle will be moved onto a trailer. Once this has done the road will be swept. Road expected to be closed for another 1hr – 2hrs.
14/10/2019 21:28:00	NCC contacted Ross Graham for update - Ross advises that vehicle has been recovered. Clean up is complete and road is now opened.
14/10/2019 21:28:00	ISR final sent: Clear up complete and road is now opened.
14/10/2019 21:28:00	Traffic Scotland advised - Redacte
14/10/2019 21:32:00	Tweet sent
14/10/2019 21:30:00	From Redacted - Debris removed, road swept. Richard advises that there are a couple of gouges in the road as a result of this RTC. He states that they are not dangerous but can be inspected by route engineer at some point this week.
