Hi Redacted Redacted /

I don't sorry, only been covering this area since February and not yet built up a complete list of contacts. Nothing on our consultation sheet for this area. Timber Transport Forum would maybe be able to help you out.

Thanks,
Redacted

Subject: RE: Addiewell Farm Felling Permission Application

Hi Redacted

Happy for the NBL stocking to be increased to 1,600/ha.

There is a gate in the corner of the field and the farmer has stoned up an area for lorries to get clear of the road. The forwarder will run around the field margin. I can't find anything on file relating to consultation with the council about haulage. I looks like I will have to do this ASAP. Do you happen to know who I should contact at the council?

Regards
