Subject: Launch of Economic Recovery Group report

Dear Benny

I hope you are well. FM has asked if you would be interested in launching the report of the Economic Recovery Group at one of the SG's daily media briefings.

I understand you expect to conclude your work around the 22nd or 23rd June – is that correct? Both dates would be possibilities if you wished to join the media briefing.

I would provisionally expect a format where the FM would make brief remarks on the daily statistics, any key issues requiring addressed that day, and some of our existing economic actions to set the scene for the focus on recovery, before turning to you for a short statement to launch the report.

If you would welcome that opportunity, our communications team can liaise with your secretariat to finalise arrangements and dates.

Best wishes

Liz
