Subject: Advisory Group on Economic Recovery Meeting - 1 June 2020

Dear Advisory Group Members,

As discussed yesterday, for Monday's meeting we propose to focus on the recommendations of the group. To support that discussion, I enclose a short, hopefully self-explanatory note with two annexes as well as the notes from the last meeting.

We look forward to seeing you on Monday and please let me know if you have any questions at all.

Kind Regards,

Andy

Andrew Baird
