Subject: Advisory Group Meeting - Thursday 4 June

Dear all,

In view of tomorrow's Advisory Group meeting, please find attached:

- A short note from David summarising the overarching principles guiding the work of the Group with a one-pager on 'emerging themes and possible proposals' - for discussion
- A one-page snapshot on written inputs received through the various engagement channels – for information **(Not included - not in scope)**
- A zip folder containing a curated selection of submissions received so far – for information/interest. **(Not included – not in scope)**

We aim to send a further document ahead of the meeting tomorrow, summarising key themes and proposals from the submissions we are reviewing.

We are in the process of setting up a Sharepoint to host all of the submissions we have received: but in the meantime, please let me know if there is a particular contribution you would like to see and I will send it across to you.

As discussed on Monday, the agenda for tomorrow will be:

- A further discussion on basic income, which John Kay has kindly agreed to facilitate
- A discussion on the principles, emerging themes and possible proposals - not least in view of Benny's call with the Cabinet Secretary later tomorrow
- An update on the proposals coming from our review of submissions.

Kind Regards,

Andy
