

Annex B – List of Scottish Government Resilience Room Covid-19/EU Exit/Severe Weather Meetings

As caveated above, Annex B contains a list of Scottish Government Resilience Room (SGoRR) meetings on the subject of Covid-19, EU Exit and severe weather, in which the Chief Constable received an invite to, as well as the First Minister and/or the Permanent Secretary. However, due to diary pressures, deputies have been sent on the Chief Constable's behalf at times, therefore this annex is provided with the caveat in which they were invited to these meetings, but may have been represented by a member of the senior team.
