#### NOTES

- Data is based on school inspections during the academic year 2019-20.
- The data is based on 169 school inspections.
- Data is not representative of Scottish schools as a whole and is not statistically comparable year on year.
- This data is for school inspections which include local authority; grant aided; independent schools; day special schools; residential special schools and secure accommodation services.
- This data does not include post registration inspections of independent schools.
- Due to the Covid-19 pandemic, Education Scotland made the decision to pause early learning and childcare and school inspections from March 2020.
