Celebrated and named as one of the 100 Greatest Singers of All Time by Rolling Stone Magazine, Annie Lennox's iconic musical career spans over four decades. Her collaboration with partner Dave Stewart formed Eurythmics in the early '80s.

Lennox has also enjoyed a widely acclaimed solo career, selling over 83 million albums worldwide altogether. In 2012, Annie Lennox was awarded the Order of the British Empire for her work towards the eradication of AIDS and poverty in Africa. She is a Royal Academician, a respected social activist and philanthropist, and the first female Chancellor of Glasgow Caledonian University. Her work in the visual arts has included an exhibition at the Victoria and Albert Museum, London; 'The House of Annie Lennox' which travelled to Manchester, Aberdeen; and The National Portrait Gallery of Edinburgh. Her installation 'Now I Let You Go'... is currently exhibited at Massachusetts Museum of Contemporary Art. Annie has been awarded the Royal Scottish Geographical Society's 'Livingstone Medal' and, in 2017, her philanthropic work was honoured with the George Harrison Global Citizen Award, and a second prestigious German Sustainability Award.
