

Annex

In addition to the exceptions mentioned in your above request i.e. members of Government, MSP's and civil servants, the table below also excludes those who attend the building as their regular place of work, such as building maintenance engineers, and, in addition those making ad-hoc deliveries.

Any visits to the building were essential in nature and taken in line with the Scottish Government's Strategic Framework. Attendees at daily briefings are kept to a minimum and their presence is to ensure smooth and efficient broadcast delivery.
