Hello ^{Redacted [s.38 (1)(b)]}

We will process your request and answer as soon as we can. As you can imagine there is a lot of data held by us in relation to the project.

The data is not available on any public readily available to download however we can collate it and provide it within EIR timescales.

Can you provide any further clarify on what data it is you require and the time period you are interested in.

Best regards

Madam, Sir,

I'm very interested in the outcome of the BEAR program and read that you could also make

available the measurement data.
Could you kindly inform me of the way to retrieve this data?

Yours sincerely
