

ANNEX A

REASONS FOR NOT PROVIDING INFORMATION

An exception under regulation 11(2) of the EIRs applies to some of the information you have requested. Reg 11(2) (Personal data relating to third party).

An exception under regulation 11(2) of the EIRs (personal information) applies to some the information requested because it is personal data of a third party and disclosing it would contravene the data protection principles in Article 5(1) of the General Data Protection Regulation and in section 34(1) of the Data Protection Act 2018. This exception is not subject to the 'public interest test', so we are not required to consider if the public interest in disclosing the information outweighs the public interest in applying the exception.
