**Subject:** Scottish VI Minutes - Monday 13th December

Hi all,

Thank you for attending the meeting today, I hope it was useful. Please find attached the minutes and various accompanying documents. Hopefully I managed to capture everything but if there is anything missing, please just let me know.

I will send round a Doodle poll sometime in February with the aim of having our next meeting in March, although to progress some of the actions I'm sure I'll be in touch with some of you before then.

Hope everyone has a lovely festive break.

1221 Scottish VI  
Meeting Minutes - 13

Thanks,
