

REASONS FOR NOT PROVIDING INFORMATION

An exception applies

Regulation 11(2) – To the extent that environmental information requested includes personal data of which the applicant is not the data subject and in relation to which either the first or second condition set out in paragraphs (3) and (4) is satisfied, a Scottish public authority shall not make the personal data available.

An exception under regulation 11(2) of the EIRs (personal information of a third party) applies to some of the information requested because it is personal data of a third party and disclosing it would contravene the data protection principles in Article 5(1) of the General Data Protection Regulation and in section 34(1) of the Data Protection Act 2018. This exception is not subject to the 'public interest test', so we are not required to consider if the public interest in disclosing the information outweighs the public interest in applying the exception.

To comply with the Data Protection Act 2018, location data is subject to statistical disclosure controls. Values are redacted where there are fewer than five fishing vessels present.

Yours sincerely

Jack Versiani Holt
