#### **16. Children's Rights**

In addition to the main objectives, a condition of the funding is that you will make your staff aware of the United Nations Convention on the Rights of the Child . This objective can be met through simple ways e.g. poster in staff room, discussion within a staff meeting, training event etc. We will ask for confirmation that this has been done at the time of your Confirmation report. This information will contribute to Scottish Ministers' Report to Parliament due in 2018 under Part 1 of the Children and Young People (Scotland) Act 2014 - specifically in relation to the duty on Scottish Ministers to raise awareness of children's rights. This objective applies only to the staff in your organisation (or working with your organisation) who are delivering work linked to this grant.
