Subject: PQs: S6W-16060 & S6W-16061 for 04/04/23

Hi All,

We have received the below PQs we think might be for your area.

If they are for your area could you please provide a name for allocation on the PQ tracker? If not, any suggestions (please copy into chain) as to where these PQs may sit would be much appreciated.

They are due with Private Office for 04/04/23.

S6W-16060 Liam McArthur: To ask the Scottish Government what assessment has been carried out of the potential benefits of including air-to-air, as well as air-to-water, heating systems in schemes available for grant and loan support through Home Energy Scotland.

S6W-16061 Liam McArthur: To ask the Scottish Government for what reason grant and loan support is not available through Home Energy Scotland for air-to-air heating systems.

Many thanks,
