Hey mate hope you're well.

Wondering if one of your staff could give me a bit of advice for one of **[Redacted under section 38(1)(b)(personal information)]**.

[Redacted under section 38(1)(b)(personal information)] filled out all the relevant stuff here to get **[Redacted under section 38(1)(b)(personal information)]** but seems to be hitting a brick wall with being told it's another departments area each time.

With new variants etc and we still have two months filming to go and being **[Redacted under section 38(1)(b)(personal information)]** just a bit worried that **[Redacted under section 38(1)(b)(personal information)]** doesn't hear anything back and goes the whole summer without getting protection.

Is **[Redacted under section 38(1)(b)(personal information)]** eligible to turn up to any drop in centres?

All best
