Thanks for this. Let's go for 11am on 7 December – I'll firm up with Sarah and send out a calendar request.

Regards.

I wonder how the following dates suit:

- Week of 28th November – Wednesday 30th
- Week of 5th December – Any day except Friday 9th
- Week of 12th December – Monday 12th or Tuesday 13th

I think we would set aside an hour for the meeting.

Thanks.

Good morning {Redacted},

Happy to meet up with the Shadow Adjudicator. If you can give me some dates I will try and work them into the diary.

Regards.

Hello. It was really nice to meet you both last week.

We had a meeting this week with [Redacted], the Shadow Adjudicator, at which we discussed the possibility of her meeting some of the main industry people with an interest in the tied pubs legislation. Sarah is starting to think about the Adjudicator role and plans for an arbitration process and investigation policy etc. and it would be helpful for her to hear your thoughts on this. Would you be happy to meet? I would plan to be there too. If that sounds fine, can you suggest some dates that might suit (not w/c 21 Nov)?

Please let me know if you have any questions.

Thanks.
