Subject: Prj Chestnut - Wednesday meeting

Hi David

Thank you for your time on Friday and look forward to seeing you at 9am tomorrow.

From our perspective, we are very much still in information gathering stage. We have reviewed [REDACTED]

. Accordingly, it would be helpful if we could cover the following tomorrow:

1. [REDACTED]
2. [REDACTED]

We can then take away the model to work through, with a view to speaking to the wider Ops/Procurement teams later in the week or at the start of next week.

With tomorrow more of a detail session, it will be myself and [REDACTED] (is our team) coming out on site. [REDACTED] from SG will also be joining us, but may duck out of the detailed session.

Look forward to meeting in person tomorrow. Should we just ask for you on arrival?

Many thanks

[REDACTED]

Colleagues

As part of the ongoing work on Project Chestnut, while I await the [REDACTED]

I have got Colin Cook sign it for Scottish Government, I will provide everyone with a finalised PDF version once completed.

The documentation is a very standard but allows early engagement in the discussions to let you all work together on the best potential options.

Please get I touch if you need me to clarify anything.
