To be fair, most of that was caused by me being on leave 😊

That's great... I'll come back to you with a proposal once I've spoken to Police Scotland.

Thanks for your help and sorry this has all been so problematic !

Kindest wishes,

Heather

In that case, yes, Monday 25th works admirably for us!

Thank you - completely understand that. We have looked at everyone's diaries up to the end of October and there haven't been many options!

Can I suggest that I separate the meeting with the Minister as there are far more opportunities for me to arrange that meeting in the next couple of months.

For now, I would really like us to meet with yourself and your team and with Police Scotland whilst we're up in Edinburgh. I haven't spoken to Police Scotland yet so we could go there first and then come from Tulliallan to Edinburgh, or vice versa if you could let me know if Monday 25th Sept. works for you ?

Kindest wishes,

Heather

Thanks Heather. All is well here. Does it have to be a Monday? Mondays and Fridays are constituency days so it can be harder to get Ministers to agree to ministerial meetings on those days.

Hi *[Name redacted]*,

I hope all is well with you ?

We have another possible date for a visit from myself, our Chief Executive, and a number of key Board members – probably no more than six of us in total.

Could you let me know if Monday **25th September 2023** would work for you and your team?

I know from your recent meeting with Paul Fullwood and Ronnie Megaughin, that it would be helpful once a date is agreed, for me to write to the Minister's office, perhaps through yourself, to outline our role and offer the opportunity to meet with either myself and the Chief Executive or perhaps all of us, during that visit ?

I have previously met with Ash Regan when she was Minister for Community Safety but I've not met with Siobhian Brown in her role as Minister for Victims and Community Safety.

Could you let me know if this new date works for you ?

Many thanks and kindest wishes,

Heather
