Hi [Redacted],

I see there has been another flurry of press which mentions Tennent's over the weekend. I realise that this will not be something that you will be pleased about. I was wondering if you had thought about proactively publishing the letters you sent to the FM and the one to Alister Jack to avoid the speculation and misinterpretation of what they say?

Happy to discuss as always if helpful (on number below or on my personal number – Redacted).

Thanks
David

Hi [Redacted],

I had tried to phone you there (on my personal number actually – as I had that with me). If you had a chance for a quick word can you give me a phone (on the number below – or the one I dialled you on).

Thanks
David

Hi David - we wrote to the FM on Monday with our position. I have also just spoken to Colin McAllister and sent him a copy of the letter.

Thanks

Colin,

I hope you are well.

Following discussions with [Redacted], please find attached letter we sent to First Minister on Monday (ccing Minister Slater & Net Zero Committee) setting out C&C position on future of DRS, following UK Government announcement on IMA exemption excluding glass.

Following request, this was also shared this morning with Redacted@gov.scot

If you have any questions, please do not hesitate to contact me or [Redacted].

Kind Regards
